Rep Teams

There still is openings for coaches for the PeeWee AE2, Midget AE. Jason Howell, coach for the PeeWee AE1 team has to decide if he going to move up to an A team. If he decides to move up to an A team, he can take imports. Dave Giles asked if the coaches filled out the evaluation for the player. They should have been filled out by now. Rick Stevens asked if each director could help Darren Hall and Craig Barnacle on the Rep side, whenever needed. Natasha Hussey asked if there would be a Intra-City team for PeeWee, Rick Stevens

said probably not since there is 2 AE teams. Natasha & Rick went to Brampton and asked how many there was at that PeeWee age group. OMH will have to get registration numbers before they can decide to have an Intra-City team for PeeWee.

Intra-City Meeting

Each team will be charged \$170.00 in their loop, which is \$10.00/kid. The AP rules are a maximum of 4 and minimum of 2. They can only AP a player if someone is hurt. They are allowed only 3 tournaments. There will be no Novice Intra-City team.

Respects In Sports

Other hockey organizations make their members take a course on-line before their child can play focusing on parental behavior. The cost is roughly \$15.00/person and only one member per household has to take it. There are 3 members on Risk management this coming season, we should use them more if they are needed. They would like some more guidelines. So we can get them from Oakville & Brampton. Rick Stevens would like Risk Management/other board members to get some guidelines.

Jerseys

Natasha Hussey and Joanne Wilson met with Bauer/Sanderson and ordered 4 sets of jerseys per division
