

Orangeville Minor Hockey will be holding their annual used equipment consignment sale. Our last sale was in September of 2019 and after two years of pandemic restrictions and families now struggling due to rising inflation the return of the OMH Equipment Sale is an event you don't want to miss.

Over the years families have been able to fit their kids from head to toe for less than \$100.00. Children as young as 4 years of age who are starting out or adults needing equipment as they're getting back into the game have purchased quality used equipment at the sale.

Equipment drop off and the equipment sale will take place at **Mono Plaza Unit 2 located just North of Orangeville on the East Side of Highway 10. Unit 2 is located at the north end of Mono Plaza facing highway 10.**

We encourage families to sell their used equipment on consignment with the seller receiving 70% and Orangeville Minor Hockey receiving 30% of any equipment sold during the 3-day event. Families can donate their equipment to Orangeville Minor Hockey with all money raised going back into Orangeville Minor Hockey.

THE EQUIPMENT SALE IS A CASH ONLY EVENT

In previous years Orangeville Minor Hockey has donated unclaimed and donated equipment to the Rotary Clubs of Palgrave and Etobicoke. Over 18 tons of equipment has been collected by Orangeville Minor Hockey and other organizations sorted and shipped north to First Nations communities. Over 60,000 children have received equipment through our efforts.

The equipment listed is what we're hoping to obtain. **Please Note** quality under garments and protective wear may be accepted if clean and in excellent condition.

Please, no sweaters/jerseys, socks, hockey jackets.
